## PROJECT

 Aug 2022 – Oct 2022

### Food Delivery Website

GIET University

This was developed with the aim of solving the lack of online food delivery in remote & small areas. This website is hassle-free, easy to use, built as part of a learning project, and doesn't include an order/payment option now.

Web Development | HTML | CSS | MySQL | PHP

### Healthcare App

 Feb 2023 – April 2023

GIET University

This app was developed with the aim to ease medical help. Users can book doctor's appointments, order the prescribed medicines, and view articles/news related to health & healthcare.
